

**VERSION OF AMENDED CLAIMS**  
**SHOWING CHANGES MADE**

Please amend claims 4, 5, and 6 as follows:

4. (Amended) The piezoelectric transformer according to claim [1] 10, wherein the common electrode is integrally formed on at least a part of the second face of the piezoelectric block.

5. (Amended) The piezoelectric transformer according to claim [1] 10, wherein the common electrode is formed on the second face of the piezoelectric block in a plurality of isolations to prevent the input of the noise.

6. (Amended) The piezoelectric transformer according to claim [1] 10, wherein the common electrode is facing [with] the input and output electrodes.
